Summary

Performance

Structure

| IMPACT  | AUDIT  |                                |   |
|---------|--|--------------------------------|---|
| Med-Low | Serve static assets with an efficient cache policy | Potential savings of 123KB     | ▼ |
| Low     | Serve images in next-gen formats                   | Potential savings of 44.4KB    | ▼ |
| Low     | Avoid an excessive DOM size                        | 75 elements                    | ▼ |
| Low     | Avoid enormous network payloads                    | Total size was 149KB           | ▼ |
| Low     | Properly size images                               | Potential savings of 18.4KB    | ▼ |
| Low     | Avoid long main-thread tasks                       | 1 long task found              | ▼ |
| Low     | Reduce JavaScript execution time                   | 2ms spent executing JavaScript | ▼ |
| Low     | Reduce initial server response time                | Root document took 6ms         | ▼ |
| Low     | Avoid large layout shifts                          | 2 elements found               | ▼ |
| Low     | Minify JavaScript                                  | Potential savings of 3.11KB    | ▼ |
| Low     | Avoid chaining critical requests                   | 11 chains found                | ▼ |
| N/A     | Largest Contentful Paint element                   | 1 element found                | ▼ |

| IMPACT                | AUDIT   |                            |
|-----------------------|---|----------------------------|
| N/A                   | <a href="#">Minimize main-thread work</a>             | Main-thread busy for 139ms |
| N/A                   | <a href="#">User Timing marks and measures</a>        |                            |
| N/A                   | <a href="#">Reduce the impact of third-party code</a> |                            |
| Show No Impact Audits |   |                            |
|                       |   |                            |
| Waterfall             |   |                            |
| Video                 |   |                            |
| History               |   |                            |
